## Introduction to Gaussian: Theory and Practice

Tokyo, Japan  
August 27-31, 2018

**Application Deadline: August 3, 2018**

A Japanese language translation of *Exploring Chemistry with Electronic Structure Methods* will be supplied to all participants unless an English language version is preferred. Please check this box if you would like to receive the English version:

### **Additional Information:**

*We plan to split the hands-on sessions into two groups based on experience level and what attendees hope to learn during the workshop.*

*To aid us in placing attendees in the appropriate group, please answer the following questions:*

What is your current position? \_\_\_\_\_

Please indicate approximately how many Gaussian calculations you have run:

0

1 - 99

100 - 999

>1000

Please briefly state what you hope to learn during this workshop:
