Hands-on session workstation preferences

Workstations running either Linux or Windows will be available during the hands-on session. Please indicate your preference:

 Windows Linux I can use either and don't have a preference

We will do our best to make your preferred platform available to you during the hands-on session, but cannot guarantee sufficient availability of your chosen platform.

Cancellation Policy:

- 10 or more business days prior to the course, the fee is fully refundable.
- Less than 10 business days prior to the course, there is a \$50 service charge for cancellation or transfer to another workshop.
- Confirmed participants who do not attend the scheduled session are responsible for the entire fee.
- Substitution of attendees in any course may be made without penalty at any time with prior notice.
- If Gaussian has to cancel a scheduled class, registrants will receive 2 weeks' notice. Gaussian reserves the right to substitute an instructor or cancel a class in emergency situations. In these cases, Gaussian is responsible for the return of registration fees only.
