Introduction to Gaussian: Theory and Practice

Nanjing, China July 17-21, 2017 Application Deadline: June 16, 2017

Additional Information:

We plan to split the hands-on sessions into two groups based on experience level and what attendees hope to learn during the workshop. To aid us in placing attendees in the appropriate group, please answer the following questions: What is your current position?

Please indicate approximately how many Gaussian calculations you have run:							
O	1 - 99	100 - 999	>1000				

Please briefly state what you hope to learn during this workshop:
