## Introduction to Gaussian: Theory and Practice

Santiago, Spain

July 10-14, 2019

**Application Deadline: June 9, 2017**

### **Additional Information:**

*We plan to split the hands-on sessions into two groups based on experience level and what attendees hope to learn during the workshop.*

*To aid us in placing attendees in the appropriate group, please answer the following questions:*

What is your current position? \_\_\_\_\_

Please indicate approximately how many Gaussian calculations you have run:

0

1 - 99

100 - 999

>1000

Please briefly state what you hope to learn during this workshop:
