**Using Gaussian in Undergraduate Education**  
**Ypsilanti, Michigan**  
**May 1-2, 2018**

**Application Deadline: April 16, 2018**

## ***Additional Information:***

*We may split the hands-on sessions into two groups based on experience level and what attendees hope to learn during the workshop.*

*To aid us in placing attendees in the appropriate group, please answer the following questions:*

What is your current position? \_\_\_\_\_

Please indicate approximately how many Gaussian calculations you have run:

0

1 - 99

100 - 999

>1000

Please briefly state what you hope to learn during this workshop:
